TO: ELECTRICAL ENGINEERING DEPARTMENT HEAD

THRU: SCHOOL CHAPTER PRESIDENT

SUBJECT: INVITATION FOR THE 1ST ELECTRICAL ENGINEERING AND TECHNOLOGY
STUDENT SUMMIT

Warm Greetings!

The **Council of Student Chapters (CSC)**, the student arm of the **Institute of Integrated Electrical Engineers of the Philippines Inc. (IIEE)**, is the national organization of Electrical Engineering (EE) and Electrical Technology (ET) student body with 105 affiliated schools across the country.

The CSC aims (1) to help in improving the academic performance of all EE and ET students in the archipelago; (2) to serve as a channel of information about current issues and trends in EE and ET education system and industry; (3) to hone and nurture the leadership skills, and principles of student members for them to act with integrity and develop the greatest passion to serve as future leaders of the IIEE and country; (4) to foster camaraderie, solidarity and unity among its members by acting as the core and prime mover for programs and activities that will provide opportunities for personal growth and self-development of its members; and (5) to encourage its members to support, participate and undertake the challenges of globalization and social awareness.

In line with this, the CSC, on its 28th year, would like to invite your school to the upcoming **1ST Electrical Engineering and Technology Student Summit** on **November 27 and 28, 2014** at **SMX Convention Center, Pasay City**.

The **Electrical Engineering and Technology Student Summit** which will be launched during the 39th IIEE Annual National Convention, is the most prestigious event of the CSC for 2014. On its first year, the EETSS will bring together students and professionals from all over the country to impart wisdom and share knowledge and expertise.

The EETSS is a two-day event featuring activities specifically designed for Electrical Engineering and Electrical Technology students pursuing excellence and maximizing potentials to be future industry leaders.
